

BODE CELLMARK FORENSICS

10430 Furnace Road, Suite 107

Lorton, VA 22079

**Has been found through internal assessment to meet the requirements of
ISO 18385:2016**

“Minimizing the risk of human DNA contamination in products used to collect, store, and analyze biological material for forensic purposes.”

This certification covers two (2) Bode Cellmark DNA collection product lines including Bode Buccal DNA Collectors and Bode SecurSwabs.

With the successful completion of the accreditation/certifications process, products within the accredited scope can be labeled as “Forensic Grade ISO 18385”, Forensic DNA Grade ISO 18385 or variations thereof.
